# ABOUT US

**Shri Ganesh Builders** Where Dreams Find Their Forever Home. We don't just construct buildings in Chennai. We create emotional spaces homes that wrap you in warmth, luxury, and lasting pride. Every project is a perfect symphony of plush, soul-soothing interiors that feel like a warm embrace and magnificent exteriors crafted with cutting-edge technology and uncompromising quality.

For over two decades, Shri Ganesh Builders has been synonymous with trust, excellence, and complete customer delight. Our reputation is built on relentless dedication, sharp focus, and an unwavering commitment to transforming ordinary lives into extraordinary living experiences. We have proudly delivered landmark residential and commercial spaces across Chennai that don't just meet expectations they exceed them.

From thoughtful joint development projects and premium residential apartments to exquisite interior designing, stunning marriage halls, and expert renovation & restoration services we bring complete solutions under one roof. We stand by our customers long after possession, offering dedicated maintenance support because your satisfaction is our lifelong responsibility.

# OUR JOURNEY

Founded in the year 2002 by S. Parthasarathy, Shri Ganesh Builders began with a single vision and a powerful promise: “We are home people we do the best for your hard-earned money.”

What started small has now grown into a legacy of excellence. Today, with 24+ years of experience, 100+ successfully completed projects, and 02+ ongoing projects, we continue to raise the bar in Chennai’s real estate industry. We are ISO 9001:2008 certified and follow international quality standards in every brick we lay.

Our strength lies in our experienced team, financial stability, and adoption of the latest construction technologies. We carefully select prime locations so your investment not only gives you a beautiful home today but also grows in value for generations to come.

More than 250 happy investors have placed their trust in us and we continue to earn it every single day.

# MISSION

“One World Builders’ strong project management skills, detailed programming, timely procurement, and good communications with all stakeholders help us to ensure time, cost, and quality requirements are met and exceeded.”
